INTRODUCTION

Welcome to our new format downloads which are aimed to provide focused and inspirational information on each main brand and functional areas such as Afternoon Tea etc.

Please visit our website regularly to explore the series of downloads as we build them.

Each download will provide inspirational food images, the range of products for each brand and functional area, along with information on whether we carry an item as **Core Stock** (which means we will usually have a good level in stock at all times). **Core Stock** items will be identified by a ● alongside each item.

If items are identified as a **Special Order** with a □ then, even for samples, we will need to place an order with the supplier. This usually applies to hand-made products or where items are available in a range of glazes.

We hope you will find our new way of providing 'catalogue' information more useful and will help provide some inspiration to enable you to make the best choice.

We are always available to provide you with in-person help, via our friendly Customer Services team or at our London Showroom.

GOODFSILVER

We have just started to develop products in Silver plate. With expert craftsmen, and made in England, these products are sheer quality, designed to enhance the most glamorous and elegant of tables.

The items we show here are just a taster from the more extensive Silver collection we have available from our own, and international producers.

We very much welcome the revival of classical favourites like the Souffle but Silver is not just for classical dishes. With our usual desire to surprise, we have introduced new Silver Mini Taco Stands. Like our chefs, we believe that no matter how small the dish, every detail deserves maximum attention.
